

## Silent Auction Rules

---

1. You must come in-person to our stores to obtain a bidder number and participate in the auction.
2. A bidder number may be obtained at any one of our store locations. Any cashier at our registers can help obtain your bidder number. All bidders must be 18 years of age or older.
3. Please retain your bidder number. This bidder number may be used at all of our stores. It is to be used for current and future auctions.
4. Bids must be raised by \$1 or more than the previous bid, unless otherwise specified.
5. You may bid on as many items as you like.
6. After seven (7) days of inactivity on an item, the highest bidder will be contacted. If we are unable to make contact with the winning bidder within three (3) days or the winner has not come in to purchase the item within seven (7) days of initial contact, the next highest bidder will be contacted.
7. Neither phone bids nor “checking” the status by phone of an item will be allowed.
8. If winning bidder reneges on a win, bidder may be banned from future participation.
9. If a bid is deemed a “bogus” bid by a manager, that bid will not be honored. At that point, bidding will resume and will continue for a minimum of 7 days.
