

Impact Thrift Receives Grant from Wells Fargo

Impact Thrift Stores, a 501(c)(3) non-profit organization whose mission is to positively impact local communities through its thrift store operations, is pleased to announce that it was chosen by Wells Fargo's Community Connections Giving Program to receive a grant. Wells Fargo's Community Connections Giving Program is an annual program where each of its retail banking stores explores the needs of their local communities and selects a non-profit organization or school to receive a \$1,000 grant. This year, Wells Fargo will award close to \$300,000 in grants to non-profit organizations and schools throughout Pennsylvania.

The grants are part of the company's broader support of its communities. In 2014, Wells Fargo invested more than \$13.4 million in non-profit organizations and schools and team members volunteered more than 57,000 hours across Pennsylvania.

"At Wells Fargo, we know that small acts can yield huge results and we are committed to supporting programs and organizations that we believe are important to the future of our communities' vitality and success," said Wells Fargo Bustleton store manager, Raja Tazeem. "So we are proud to support Impact Thrift Stores with this grant."

Impact Thrift would like to thank Raja Tazeem and Wells Fargo for being awarded this grant. These funds will enable Impact Thrift to continue its financial support to local charities whose missions support families and children in need.
