

Relocating your life with compassion
Serving the Greater Philadelphia & South Jersey area

Senior Transition Services knows that moving from your current home can be an overwhelming and stressful experience for you and your family. But with careful planning and the right support services to assist you, the emotional toll and physical challenges of the move can be greatly minimized. And you can smile again!

Our goal is to make this transition as worry-free as possible. Here's how we do it.

We provide the traditional downsizing, organizing and relocation services, so you can...

- ★ Feel less stressed and overwhelmed with the moving process
- ★ Have more free time to do the things you like doing most
- ★ Receive revenue from the sale of selected treasures
- ★ Enjoy knowing that things are being done on your behalf
- ★ Have greater peace of mind!

Call us today at **215.947.5490**

to schedule a complimentary, professional consultation to learn how **Senior Transition Services** can assist you from start to finish with:

- Evaluating your contents and guiding you on what to keep, sell, donate, shred and discard
- Compiling an inventory of your belongings
- Creating a floor plan of your new home
- Introducing you to resources who would be interested in buying selected possessions
- Arranging for the destruction of personal files to avoid identity theft
- Donating gently used items to charitable organizations
- Disposing of unwanted items
- Packing the contents and overseeing the movers
- Scheduling a final cleaning
- Unpacking the boxes and recreating the feeling of home
- Helping you get settled in your new home.

Serving clients in Philadelphia, Bucks, Chester, Delaware and Montgomery counties and South Jersey!
